Offton Ringers Coach Tour of Great Britain

I point/question = 23 plus 9 bonus points = 32 total

We are about to set off on a coastal tour of Great Britain leaving the Lime Burners at Offton in a few minutes time.

We have a two and a half hour journey of about 140 miles to take us to our first coastal town. Half the journey is in a SW direction and after a major river crossing we will continue SE for the second half of our journey

A few notices before we leave.

Consulted Boris

If you have a mask then you must not to wear it

If you don't have a mask you must wear one

If you don't want to wear a mask you must wear a mask and if you think you should wear a mask you must not wear mask

And so that should be really clear and if we observe the guidance we can completely confident you will be safe for the duration of the tour.

You may eat and drink on the bus.

There are toilets available on the bus and so please feel free to visit them as necessary.

We are on a very tight schedule with many miles ahead and so please ensure you board the bus at the designated times without delay. We will not be able to wait for anybody who is talking too long to answer a question.
